A MESSAGE FROM THE COLLEGE PRESIDENT TO OUR GRADUATES

Congratulations, FSCJ Graduates!

We welcome all graduates, family members, friends, loved ones and mentors to our 2023 Commencement Ceremony! This is certainly an exciting day – one that we look forward to each year.

Today we celebrate your grand achievements as you become a member of FSCJ's 56th graduating class, and step into the next chapter of your educational, professional and personal journey. Our faculty, staff and administration share in your pride and we appreciate you allowing us this opportunity to celebrate your success. Leading our students toward their graduation day and preparing them for a rewarding future is central to our purpose and commitment. It has been our honor to walk alongside you on this journey.

Your journey does not end with Commencement. In fact, it's only a celebratory milestone in your travels. Therefore, when you're ready, FSCJ will always be here, ready to continue as your educational and training partner.

On behalf of FSCJ's faculty and staff and the District Board of Trustees, congratulations and best wishes for your continued success!

Sincerely,

A handwritten signature in blue ink that reads "John Avendano". The signature is fluid and cursive, with the first and last names being the most prominent.

STUDENT SPEAKER

KYLE BENGTSON

Graduate, B.A.S. Digital Media

After being medically retired from the Air Force in 2018, Kyle Bengtson decided to make a career change. Having been a crew chief on the CV-22 Osprey for eight years, Kyle thought it was time to pursue his creative passions. His wife, Mallory, was in the process of applying to the Radiation Therapy program at FSCJ, so he followed suit and enrolled in the Digital Media program.

During his time at FSCJ, Kyle joined the Student Government Association, helping to establish the Esports program. He helped organize and participated in tournaments and even took home the second-place trophy at a cross-collegiate event with FAU. Sadly, he had to step away from this role due to a cancer diagnosis in the summer of 2021.

Through an internship at Crop Creative Media, Kyle had the opportunity to participate in commercial work for the Wounded Warrior Project and CSX. This experience is where he discovered a passion for video production.

Following the end of the 2022 Fall Term, he started his own business, doing video and photography for a real estate company, and is currently working between Jacksonville and St. Augustine. After gaining experience in the real estate industry, Kyle plans to work his way over to the corporate commercial world as an editor. In his free time, he is an avid gamer and musician and enjoys creating content as well as collaborating with other Jacksonville-based artists and musicians.
