A MESSAGE FROM THE COLLEGE PRESIDENT TO OUR GRADUATES

Congratulations, FSCJ Graduates!

We welcome all graduates, family members, friends, loved ones and mentors to our 2024 Commencement Ceremony! Our faculty, staff and administration look forward to this exciting day all year long.

Today we celebrate your grand achievements as you become a member of FSCJ's 57th graduating class. We share in your pride and are grateful for this opportunity to applaud your success. Leading our students toward their graduation day and preparing them for a rewarding future is central to our purpose and commitment. It has been our privilege to walk alongside you.

Although Commencement marks the end of this chapter in your life, we want you to know FSCJ will always be here for you. We hope you will connect with our Alumni Association at alumni@fscj.edu. It would also be our honor to continue as your academic and professional training partner throughout your future endeavors.

On behalf of FSCJ's faculty and staff and the District Board of Trustees, congratulations and best wishes for your continued success!

Sincerely,

A handwritten signature in black ink that reads "John Avendano". The signature is written in a cursive, flowing style.

CHARISE DAVIS

2023 Graduate, B.A.S. Supervision and Management

After a successful career in leadership at Baptist Health, Charise resigned in late 2022 to focus more on her education and recovery following a serious car accident in March 2021. This life-changing event, which left her with a traumatic brain injury, PTSD and panic disorder, strengthened her resolve to make the most of every opportunity.

During Charise's time at FSCJ, her academic efforts were rewarded with multiple dean's list distinctions. She was also inducted into the Phi Theta Kappa Honor Society and The National Society of Leadership and Success, underscoring her academic prowess and leadership capabilities.

As part of her capstone project, Charise served as a co-manager in the GLO-BUS simulation, where the team of all women achieved first place as the overall best-performing company in their industry. This achievement earned them the prestigious title of GLO-BUS Industry Champions and an invitation to compete in the 2024 Best-Strategy Invitational. Charise also earned certification as a UiPath Citizen Developer, highlighting her skill in leveraging automation to enhance organizational efficiency.

Charise is currently pursuing her MBA at Florida Gulf Coast University in an accelerated program and plans to graduate in December 2024. She aspires to continue her education further by obtaining a Doctor of Business Administration and working with organizations to develop innovative customer service solutions.

Outside of her academic and professional pursuits, Charise dedicates her time volunteering with Family Support Services, which provides a comprehensive system of care designed to keep children safely in their homes. She is driven by a desire to leave a legacy for her family, inspiring others with her resilience and dedication to making a difference.
